

DOUBLE-SIDED TEXTILE TAPE

Description:

Double-sided tape with synthetic rubber adhesive, polyester mesh and brown siliconized paper. The tape is easy to tear by hand and has good adhesion to smooth and rough surfaces.

Usage:

For long-term fastening of carpets, rugs, skirting boards, profiles, ceiling strips and decorative film.

Characteristics:

Basis	Polyester with mesh
Paper	Siliconized paper 70 µm
Glue	Synthetic rubber
Total thickness without paper [µm]	140
Adhesion to metal RT [N/25 mm]	16
Rolling resistance RT [cm]	< 1
Slip resistance RT [hours]	> 168
Temperature resistance [°C]	from -10 to +75

Sizes:

Width [mm]	48
Length [m]	5, 10, 25
Inside [mm]	3"

Storage/transportation conditions:

Store in a cool, dry place, away from sunlight and direct heat sources. If storage conditions are met, the product is guaranteed for 12 months.

Additional information:

All statements, technical information and product recommendations are based on tests in our laboratories which we believe to be reliable. However, in all cases the user should determine the suitability of the product for the intended use and the user assumes all risk and liability in this regard. Neither the seller nor the manufacturer shall be liable for any direct, incidental or consequential loss or damage arising from the use of the product. Details of test methods are available upon request.
